

You know why they  
call it candy?

A lotta candy  
comes in cans!

How does a zombie  
eat popcorn?

—*With his fingers?*

No, he eats those  
separately.

You know what they say  
about a werewolf?

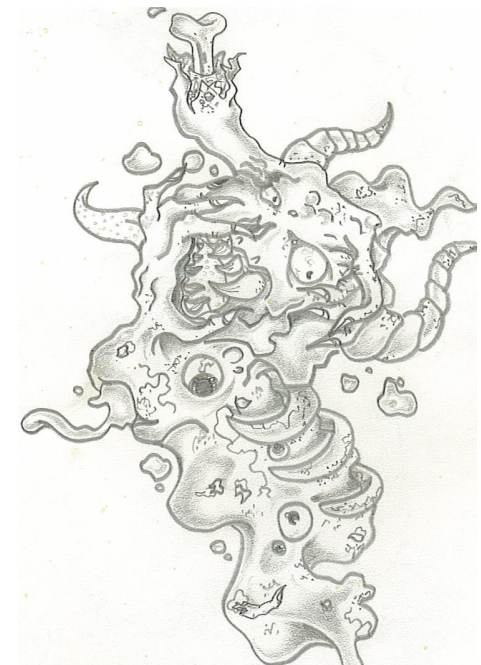

—*Beware?*

Woof!

You know why they  
call him a skeleton?

Because he'd be  
scalding hot!

What did one casket  
say to the other  
casket?

That you coffin?

When they put the  
gravestone on you, did  
you take it for granite?

Wouldn't that make  
you a chisler?

What's the only  
price that doesn't  
cost anything?

Vincent Price!
