

**TO THE CITY COUNCIL OF THE CITY OF WORCESTER:**

Matthew M. Kracher  
15 Bowdoin St Apt 3  
Worcester MA 01609

The undersigned person(s) most respectfully petitions your Honorable Board :

Request: I Matthew M. Kracher am hereby petitioning City Hall to stop the weekly sting by the Worcester Police Department. The sting is being conducted to lure cars into the danger of being ticketed for failure to stop for a pedestrian in the cross walk. The sting operation is being conducted by a non pedestrian under cover police officer, in the the periphery of a Bus-Stop and a cross walk. The location of the under cover officer is at Dix St and Lancaster. He never even attempts to cross the street. When my vehicle crossed the cross walk on two separate occasions I have been ticketed 400 yards up the street by the under covers, partner. Both tickets are 200 a piece.

Every Saturday morning for all of Feb. 2014 and this past weekend the same two officers have set up at the top of the hill with an under cover radio entrapment in place. At a minimum I have seen 20 tickets written personally from my home vantage point. I am hereby requesting an end to the weekly traffic sting on Lancaster. I believe that is luring me and no less than 20 other motorists into the danger of unmodest fines.
